THIS UNCONVENTIONAL CONVENTION VS. PAST WICA CONVENTIONS

The Holiday Inn Express is a limited-service hotel which provides the meeting facilities required for a smaller, more intimate convention experience at a cost much less than that of prior ballroom-style conventions at full-service hotels having food and beverage operations. This convention will provide the opportunity for members to catch up with old friends and make new friends who love white ironstone. As identified on the Schedule of Events, many of WICA's favorite convention activities are planned, but there will not be a catalog auction. Friday and Saturday evening dinners and Saturday lunch will be catered from area restaurants and served buffet-style with disposable tableware.

HOW DOES THE BOX LOT AUCTION WORK?

Members who would like to donate or consign to the Box Lot Auction should indicate the number of lots on the registration form. A lot may consist of one or more items which will fit in a 16" x 16" area. Lots will not be vetted for condition and will be sold as is. All sales are final. WICA will retain a consignment fee of 10% of the sale price for each box lot sold. Potential bidders are encouraged to inspect items before bidding. All box lot items must be removed from the meeting room Friday evening. If you plan to bid, bring boxes and packing material.

**PLEASE JOIN US IN MAKING THIS CONVENTION AN ENJOYABLE WEEKEND
