

27th WICA National Convention

Events and Schedule at a Glance

Join us for a fun filled weekend of education, a dazzling display and renewed friendships and make new ones. The convention will be held at the Crowne Plaza Columbus North – Worthington, 6500 Doubletree Avenue, Columbus, OH 43229 on April 28-29 2023. Enclosed in this packet are the Registration and Show and Tell forms for you to complete and return.

The weekend starts on Friday April 28th with a meet and greet to break the ice while enjoying some snacks and stimulating conversation.

Plan to make marriages with that top or bottom that you have been searching for, at the tops and bottoms sale. Bring all those and put them out for sale on the free tables provided. After a wonderful buffet dinner, there is a chance to purchase one or many box lots that will be sold. The night concludes with the “Show, Tell and Ask” event, which will present new and unusual objects, as well as new shapes and marks. So please send your photos and description to be included in the presentation.

The business meeting will kick off day 2 to illuminate the state of the organization. Bill Lancaster will make a presentation on “Utilitarian Ironstone” that will be followed by a display. Your knowledge of ironstone and the organization will be tested during the annual trivia game that follows after lunch.

A buffet dinner will be followed by the Show and Sale, so you can add a gem or two to your collection.

We look forward to seeing everyone at this convention!!
